

*you've been*

**BOOZED**

A ghost came to visit and left you some fun  
now it's your turn to *BOOZE* someone!

**By Halloween Night:**

Copy this letter  
include it with booze  
then deliver this package  
to someone you choose

Hang the *we've been boozed* sign  
on your window or door  
or else the ghosts  
might come around once more!
